

**“Young Myanmar Researchers' Meeting for Future Technology” was held in Kanazawa University on 31 October, 2017.**

The aim of this meeting is to provide an opportunity for young Myanmar researcher of YTU and MTU who have been in the PhD program at JSUs (Japanese Supporting Universities) to give presentations for their research accomplishment of their past three years.

The total of fifteen (15) researchers: one (1) from Niigata Univ., three (3) from Kanazawa Univ., three (3) from Okayama Univ., three (3) from Nagasaki Univ. and five (5) from Kumamoto Univ. gave presentation.

The other nineteen (19) Myanmar teaching staff that had just finished the short term training at JSUs also participated the meeting and enjoyed the reunion.

Vice President, Prof. Kanoh of Kanazawa University gave opening address.
